All ceiling heights stated are approximate. The height is measured from the upper surface of the concrete floor slab. Where ceiling bulkheads are installed or where drop ceilings are necessary the height will be less than stated. Principal Rooms consist of the Living Room, Dining Room, Library, Kitchen and Bedrooms. All colours, finishes and materials are to be selected from vendor's standard selections. All available features and finishes are as per plan and may vary from suit to suite. Prices and specifications are subject to change without notice. All areas and stated room dimensions are approximate. Floor area measured in accordance with Tarion bulletin #22. Actual living area will vary from floor area stated. Builder may substitute materials for those provided in the plans and specifications provided such materials are of quality equal or better than the material provided for the plans and specifications. Decorative and upgraded items displayed in the furnished model suites and sales office are for display purposes only and are not included in the purchase price. The provisions of Schedule "X" of this Agreement, including section 6, apply to this Schedule "A", and where there is any conflict between the above provisions and the provisions of Schedule "X", Schedule "X" shall govern.
